

The PAACB Spore Analyst Certification

- certifies individual analysts—not laboratories—ensuring the quality of the analysis, where accurate identification is critical;
- ensures that analysts have basic competency criteria for each level and are able to correctly identify spores and separate spores from artifacts;
- is based on competency criteria established and validated by a panel of scientific experts;
- is valid for three years; and
- costs \$400 per person.

To register for Level 1 Certification

Please mail or fax this form along with the \$400 Certification fee to:

The Pan American Aerobiology Certification Board (PAACB),
c/o Michael Muilenberg
P.O. Box 45
Amherst, MA 01004

- Fax: 866-240-3044

Questions? Please check out our website: www.paacb.org
or email us: administrator@paacb.org

Level 1 Certification

covers the practical approaches to sample analyses, identification of commonly encountered spores, and calculation of concentrations from raw counts.

To maintain PAACB Spore Analyst Certification:

submit a Certification form and registration fee. The Certification exam will be scheduled in a testing center near the candidate and will include multiple choice questions and digital images to be assessed by the candidate. Guidance documents and additional information are available at www.paacb.org or upon request.

The Pan American Aerobiology Certification Board invites all whose current certification is approaching expiration to apply PAACB Spore Analyst Certification.
